June 1, 2009

To Whom It May Concern:

Subject: Mediterranean Technologies S.r.l.

Mediterranean Technologies has worked directly with engineering personnel at the ViaSat Antenna Systems Division headquarters on several programs and has successfully installed several custom designed ViaSat antenna systems. This letter is to certify that this successful experience has qualified them to be a Certified ViaSat Installation Company.

Please feel free to contact me if you have any questions (tom.darling@viasat.com, 678-924-2822)

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Darling".

Tom Darling
Director of Technical Services
ViaSat - Antenna Systems
